Peli olarak, iç mekân tasarımı ve mimaride yaratıcılığı sınırsız kılmak amacıyla geliştirdiğimiz MDFLAM / SUNTALAM Koleksiyonumuz ile estetiği, dayanıklılığı ve işlevselliği bir araya getiriyoruz. Geniş renk ve desen yelpazemizle projelerinize ilham verirken, yüksek kalite standartlarımızla her detayda fark yaratıyoruz.

Ürünlerimiz, çizilmeye karşı dirençli yüzeyi, hijyenik yapısı, kolay temizlenebilirliği ve uzun süreli renk stabilitesi ile öne çıkıyor. Bu özellikler sayesinde hem yoğun kullanım alanlarında hem de yaşam alanlarında estetikten ödün vermeden fonksiyonel çözümler sunuyoruz.

MDFLAM ürünlerimizi 2100x2800 mm ve 1830x3660 mm; SUNTALAM ürünlerimizi ise 1830x3660 mm standart ölçülerinde üreterek, projelerinize kolayca uyum sağlayacak şekilde tasarlıyoruz. İhtiyaçlarınıza özel çözümler üretmek için esnek üretim kabiliyetimizi her zaman kullanıma sunuyoruz.

Koleksiyonumuz;

▸ Ev Kullanım Alanlarında: Oturma grupları, yatak odası takımları, çocuk mobilyaları, mutfak ve banyo dolapları gibi uygulamalarda şıklık ve işlevselliği buluşturuyor.

▸ Kamusal ve Ticari Alanlarda: Oteller, restoranlar, kafeler, eğitim kurumları ve sağlık merkezleri gibi yoğun kullanımın olduğu alanlarda dayanıklılığı ve estetiği bir arada sunarak fark yaratıyor.

Müşterilerimize yalnızca ürün değil, aynı zamanda uzun ömürlü çözümler sunma hedefiyle hareket ediyoruz. Koleksiyonumuzu geliştirirken modern tasarım trendlerini, kullanım kolaylığını ve yüksek kaliteyi ön planda tutuyoruz.

PELİ MDFLAM / SUNTALAM Koleksiyonu ile mekanlarınıza değer katarken, yaratıcılığınızı özgürce ortaya koyabilirsiniz.

As Peli, we bring together aesthetics, durability and functionality with our MDFLAM / SUNTALAM Collection, which we have developed to make creativity unlimited in interior design and architecture. While inspiring your projects with our wide range of colors and patterns, we make a difference in every detail with our high quality standards.

Our products stand out with their scratch-resistant surface, hygienic structure, easy cleanability and long-term color stability. Thanks to these features, we offer functional solutions without compromising aesthetics in both intensive use areas and living spaces.

We produce our MDFLAM products in standard sizes of 2100x2800 mm and 1830x3660 mm and our SUNTALAM products in standard sizes of 1830x3660 mm and design them to easily adapt to your projects. We always offer our flexible production capability to produce customized solutions for your needs.

Our collection;

▸ Home Use Areas: It combines elegance and functionality in applications such as seating groups, bedroom sets, children's furniture, kitchen and bathroom cabinets.

▸ In Public and Commercial Spaces: It makes a difference by offering durability and aesthetics together in areas of intensive use such as hotels, restaurants, cafes, educational institutions and health centers.

We aim to offer our customers not only products but also long-lasting solutions. While developing our collection, we prioritize modern design trends, ease of use and high quality.

With the PELİ MDFLAM / Particle Board Collection, you can freely express your creativity while adding value to your spaces.
